

## **WIGHT AROUND BRITAIN**

For a trip with a difference, you cannot beat our "Wight around Britain" tour. Here in the "deep south" of the British Isles, you will be able to journey to all corners of the kingdom and sample the flavours of England, Scotland, Wales and Ireland. And all without leaving the comfort of your dining room chair! Every dinner will offer three choices on each course, and will include a meat, fish and vegetarian option on the main course.

On Monday, we kick off with a Scottish themed dinner. Sample the famous "Cock-a-Leekie" Soup or try our Chef's version of the well-known "Arbroath Smoky". Then why not go for some Dundee Lamb, followed by a Topsy Laird Scottish Trifle or the delicious – despite its slightly worrying name – "Edinburgh Fog"!

Tuesday it is the turn of the island of Ireland, and you will find such delicacies on the menu as Irish Potato Soup, Beef in Guinness, Dublin Fishcakes and Irish Coffee Pudding.

Wednesday takes us to Wales, and you will be able to try your hand at pronouncing the various dishes to the waiting staff! Starters will include Anglesey Eggs, or you might try the famous Welsh Faggots. For dessert, a Snowdon Pudding will round things off nicely, unless you prefer to try some Welsh Cheese instead.

Last but not least, Thursday sees us return nearer home with another selection of home-cooked favourites. Sample Chef's Celery and Stilton Soup, or the delicious local Smoked Mackerel Pâté. Then maybe roast Pork with Apple Sauce or even Fish and Chips (sorry, not in newspaper...). To finish, culinary delights such as Bread and Butter Pudding or Rhubarb Crumble with Custard will tempt your taste buds.

Enjoy!

## **WIGHT DANCE WEEKEND**

For a weekend with a difference, why not bring your group away for a dance weekend? Suitable for all ages, and no experience necessary - just have fun and enjoy the music! We offer two types of weekend: "Swingtime" which offers music from the 20s through to the 50s; and "Sound of the Sixties" which, as the name suggests, revolves round music from that era. You can add to the fun by offering prizes for the best psychedelic outfit or ask everyone to bring black tie and cocktail dresses - the choice is yours!

Upon arrival, settle into your room and then join the others for a welcome drink in the bar before dinner. Our chef and his team will provide a three course dinner with choices on each course, accompanied by some background music to get everyone in the mood. After dinner, the musicians will take to the stage and the dance floor beckons..... Different bands/musicians will entertain you on each night and the music will go on until midnight both nights.

In the morning, enjoy a leisurely breakfast until 10am and spend the day exploring the Island. If required, we will be happy to assist in making a suitable itinerary for your group. If no excursion is required, Shanklin offers a variety of small shops and eateries and public transport to all parts of the island, or you may want to spend some time in the hotel's leisure suite with heated swimming pool, Jacuzzi and sauna.
